

MD ARFAKSHAD

New Delhi, India

+91-6204039023 | mdarfakshadbth@gmail.com | LinkedIn | LeetCode | HackerRank

PROFESSIONAL SUMMARY

Entry-level Data Analyst and Data Scientist skilled in **Python, SQL, Pandas, NumPy, Scikit-learn, Power BI, and Excel**. Experienced in **data cleaning, exploratory data analysis (EDA), predictive modeling, machine learning, and dashboard development** through academic and personal projects. Achieved a **9.5/10 CGPA** and qualified **GATE 2026**. Strong foundation in **statistics, machine learning, and business intelligence**, with a passion for transforming data into actionable insights and supporting data-driven decision-making.

EDUCATION

Integral University

B.Tech in Computer Science and Engineering | CGPA: **9.5/10** | First Class with Distinction
– **Qualified GATE 2026**.

Lucknow, India

Sept 2022 – June 2026

TECHNICAL SKILLS

Programming Languages: Python, SQL, C++

Data Analytics: Exploratory Data Analysis (EDA), Data Cleaning, Data Wrangling, Statistical Analysis, Feature Engineering

Machine Learning: Scikit-learn, Classification, Regression, Model Evaluation

Libraries: Pandas, NumPy, SciPy, Seaborn, Matplotlib, Plotly

Visualization Business Intelligence: Power BI, Excel

Databases Tools: PostgreSQL, MongoDB, Git, GitHub, Jupyter Notebook

EXPERIENCE

Any Time Invest — Link

June 2026 – Present

Data Analyst Intern

Remote, India

– Performed data cleaning, preprocessing, and EDA using Python, Pandas, and NumPy.

– Built Power BI dashboards and automated reports using SQL and Excel for business insights.

eTrainIndia — Link

May 2025 – June 2025

Python for Data Science Intern

Lucknow, India

– Performed data cleaning, transformation, and EDA using Python, Pandas, and NumPy.

– Developed machine learning models and visualizations using Scikit-learn, Plotly, and PostgreSQL.

Cognifyz Technologies — Link

Apr 2024 – May 2024

Web Development Intern

Remote, India

– Developed responsive web applications using HTML, CSS, JavaScript, and ReactJS.

– Used Git and GitHub for version control and collaborative development.

PROJECTS

California House Price Prediction | Python, XGBoost, Scikit-learn, Streamlit, Plotly

– Developed an end-to-end machine learning application to predict California housing prices using an XGBoost Regressor.

– Achieved a **Test R² Score of 0.8338** and **Mean Absolute Error (MAE) of \$31,090**.

– Built an interactive Streamlit dashboard featuring real-time price prediction, dataset analysis, and feature importance visualization.

Credit Card Fraud Detection System | Python, Scikit-learn, Pandas, Streamlit, Plotly

– Developed a machine learning-based fraud detection system to identify fraudulent credit card transactions from financial datasets.

– Achieved **95.81% training accuracy** and **92.89% testing accuracy** using classification algorithms.

– Built an interactive Streamlit application supporting CSV upload, batch prediction, fraud analytics, and downloadable prediction reports.

Heart Disease Prediction System | Python, Pandas, NumPy, Scikit-learn, Streamlit

– Performed data cleaning, preprocessing, and exploratory data analysis (EDA) on healthcare datasets to identify key risk factors associated with heart disease.

– Engineered features and trained multiple machine learning classification models using Scikit-learn for disease prediction.

– Achieved **88.6% accuracy** and **0.899 F1-score** through hyperparameter tuning and model optimization.

– Developed and deployed an interactive Streamlit application enabling real-time heart disease risk assessment using 11 clinical features.

ACHIEVEMENTS

- Qualified **GATE 2026** with a score of **326**, demonstrating strong aptitude in Computer Science fundamentals.
- Solved **350+ Data Structures & Algorithms (DSA)** problems across LeetCode, HackerRank, and Codeforces using C++.
- Awarded a **50% Merit Scholarship** at Integral University for outstanding academic performance.
- Served as **Chief Coordinator** for the College Orientation Program, leading event planning and student engagement activities.
- Won multiple **Debate and Public Speaking** competitions, showcasing communication and leadership skills.
